Subject: RE: Decision in relation to fluoridation direction

Hi Jo

No we aren't assured of the money. Asli and the team will be chasing the government to ensure we can get as big of a slice of pie as possible.

Thanks

Thanks Monique,

I understand there are 14 TLA's that have received this health directive. There is a pool of \$11m ? to fund it. Are we assured of the \$1m requirement for implementation being available to us through the available funds?
