

PETITION TO STOP FLUORIDATION OF CAMBRIDGE DRINKING WATER

WE the undersigned residents in the Waipā District Council area:

- 1. Advise the Waipā District Council we do not want fluoride added to our drinking water.
- 2. Remind the Waipā District Council that its duty is to the communities it serves, not central Government policy.
- 3. Advise the Waipā District Council we want them to put the unlawful directive from the Director-General of Health on hold.
- 4. Advise the Waipā District Council that we want urgent consultation as per the requirements under the 2002 Local Government Body Act.
